Hello from The President

Hi Members!

We are excited about the 2023 season kicking off! The Board has been working hard during the off-season on the Club and we have a lot of exciting updates and changes for you all.

As most of you know, we are in the process of updating the kitchen. A big thank you to **Laura Ford** for all the time and dedication to this project. She has been on point for this project from the design, negotiations and contractor management. We are lucky to have her as a member! **Poonam**, our MCC Treasurer, has also been an invaluable partner through the process, keeping us all on budget! This is super important as the Club runs lean, and we don't have a lot of room for over budget issues.

We have started to sign up volunteers for all sorts of projects that help keep the Club running smoothly through the pool season.

We need everyone's help so please sign up to volunteer in areas where you can. As you all know the Club is **100% Member Managed**, and all your Board members are volunteers. We do this to create a special community we can all be proud of. We have members that have been supporting the club above and beyond, and all year long. We have a family that comes every week and takes the bins out for Garbage/Recycle & Compost, we have a member that manages plants and flower beds around the grounds throughout the year; and we even have an ex-member that helps with the pool in the winter months! We as **members** are so fortunate to have these volunteers that keep the place going even in the slow months. Thank you to everyone who has volunteered and continues to volunteer!

Currently, our membership is full at 95 families with 5 on the wait list. Please reach out to James, our Membership Trustee, with any questions.

Happy Spring, everyone!
~Christine

Out with the old and in with the NEW KITCHEN!

Get ready for a fresh and vibrant Clubhouse!

As most of you know, we have been working hard for several months over the off-season to update our outdated and poor-functioning kitchen. We are close to completion and are thrilled to show you all just how stunning it has turned out.

This project took a ton of effort of coordination and management from the planning, the demo, and the build. From finding the right contractors, to establishing & maintaining the budget, to adjusting along the way due to unexpected hiccups, the work has paid off! **Laura Ford**, our Rental Trustee (aka wonderful neighbor, aka incredible MCC member, aka stellar human), has donated her time and worked above & beyond spearheading this massive project. She designed the look, sourced products & appliance deals, and negotiated the cost with each and every company involved.

Please thank Laura for all her hard work!

We could not have completed this project without the fantastic partnership from the below companies. We are so very grateful to all of them!

- V & R Remodel (206-939-9266)
- JRC Flooring (jrcfloors.com | 253-874-7713)
- Ravensdale Live Edge (ravensdaleliveedge.com | 425-331-1876)

Check out before and after photos on the following pages.
This modern and welcoming space will surely enhance the enjoyment
of our Clubhouse for years to come!

Are your Dues due?

Congratulations Members! All but one of our members has paid their dues for the first half of the year. This is so wonderful and helps up plan and operate the club more effenciently.

We will be invoicing members the first week of June for the 2nd half of dues (\$350.00). Late fees will be applied after June 30, so please pay on time.

As a reminder, we are tracking the full 6 hours of volunteer time per membership. Billing for the maintenance fee is done at the first of the year and members have until November 1 to complete. Keep in mind, once the pool closes for the season, there are less and less opportunities.

This year we have a new payment process: Zelle®. This makes paying your dues very easy as it sends money directly from your bank account. This is a safe and free service and is used often for folks to pay other folks. If you are not sure how Zelle® works, click this link to watch a youtube video. [Zelle® | How it Works](#)

It only takes a minute to set up from your bank account (app or online). You'll be asked to enter the name and email of the recipient:

Volunteers Needed

As always, if you complete 6 hours of volunteer work around the Clubhouse, your yearly maintenance fee of \$250 is waived!

Billing for the maintenance fee is done at the first of each year and members have until November 1st to complete the hours.

It pays to sign up early to get your time in, as we don't have enough volunteer hours for everyone.

Positions are a first-come/first-serve.

Opportunities:

Power Wash Pool Deck (must be complete by May 7)

Power Wash Tennis Courts (must be complete by May 27)

Pool Opener and Closer (2 week commitment max)

Bi-Monthly pick up pool chemicals

Mary, our Volunteer Trustee, will assist you with signing up and keeping track of your hours.
